

# AN AMAZING JOURNEY THROUGH GREEK CUISINE. A PRACTICAL GUIDE HOW TO RUN A GREEK RESTAURANT

Transnational mobility of pupils

## About

As part of the project, an educational program was implemented in cooperation with a school from Greece

## Mobility

2 mobilities, each with 11 days, during which students were working in a Greek school

## Participants

33 pupils participated in the mobility and participation was free of charge

## MOBILITY PROGRAM:

11 days in Greece were devoted to the implementation of the content program and trips, during which the participants got to know the host country and its most beautiful corners. Students from Greece were collaborated with during the classes at the host school

## SUBJECT:

As part of the project, participants created an interactive guide for a young entrepreneur in the form of a website in 3 languages. So they developed not only knowledge of entrepreneurship, vocational subjects and the core curriculum, but also acquired practical digital skills!
